Conditions as detailed in the above Type Approval Certificates and the corresponding Design Appraisal Documents are to be complied with.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

The following were considered in the issuance of this statement:

- (1) Production Quality Assessment (MEL 1800070) dated 23 Feb 2018, carried out at the assembly facility of Chief Fluid Systems Pty Ltd.
- (2) Lloyd's Register Type Approval Certificates and corresponding Design Appraisal Documents as referred to in page 1 of this document.
- (3) Chief Fluid Systems Pty Ltd. obtaining the following authorisation letters from the respective producers for the assembly of the products at this facility.
